

We Want Your WOOL

All indications point to an extremely high wool market this season. Much higher than it has been for many years. We are in touch with the leading wool buyers of the City, consequently we can pay as high, if not a higher price, than you can get elsewhere either.

CASH OR TRADE

Remember, it will cost you nothing to get our prices before you sell, and it may mean big money to you. Call, write or phone for prices.

You can advertise yourself better than any one else can. You are a living advertisement of what you really are—of the man back of the mask. Nobody likes your life except yourself—and don'tless you are as you think it should be tried. Moreover, by no sophistry can you shift the responsibility from your own shoulders. Therefore be a man, and you need not worry about the advertising value.—Charleston Daily New Idea.

We had an unexpected letter from our friend, Dr. Sylvester Doggett, who is located at Quinn, Mo., who says he has made up his mind to remain in Missouri a while longer at least and that he is getting along fine. He says there is not much to do here in the city but the large library will be property available, particularly in the field of science and literature. He is not particular to teach, nor to do a lot of public speaking, but he is a good teacher and doing some shop teaching.

The result of organization will occur next Tuesday at least, and in that same property as is now used as home, as soon as it is to be exact, eight o'clock in the morning. Please come and help if it is hot.
